## GLORIA CRUDGINGTON WORKS HARD FOR MONROVIA.

### *Gloria's pledge:*

“If elected, I will devote myself to making sure that our neighborhoods are protected from incompatible development. This includes protecting our architectural legacy from replacement with Arcadia-style McMansions. We need to complete our historic survey so our historic homes are protected, and developers seeking to purchase properties have some certainty about what they can build without inciting residents to storm City Hall. We Monroviaans are fiercely protective of our “quaint charm and uniqueness,” so we need zoning ordinances city-wide that adequately reflect that.

I am alarmed by the amount of money that has ‘escaped’ over the last years: lost grant money, failure to get our fair share of Prop A & C monies, and money needlessly spent developing new master plans rather than simply updating previous plans. We’ve paid a high price for weak and part-time City Managers. I commit to supporting staff in tightening the ship, no matter who gets embarrassed.

And we need to focus on repairing our deferred maintenance. New businesses choose to locate here because we provide real value. It’s not real value when we’re looking shabby. Sooner or later, those new businesses and new homebuyers will just drive on by Monrovia.

Finally, many of us have felt bruised by this campaign season. As a Licensed Marriage & Family Therapist for 30 years, I commit myself to using my skills to find consensus so we can do what we do best: work together to keep Monrovia a unique and special place to live.

In giving me their endorsement, the Pasadena Star News called me a ‘dynamo.’ It’s love of Monrovia, my home since 1979 that drives me. I respectfully ask for your vote on April 14<sup>th</sup>.”
